

How do I get involved as a chair at AMUN?

Are you interested in participating in AMUN as a Chair?

Every debate at an MUN relies on the leadership and experience of a chair. Making sure that every delegate follows the *Rules of Procedure* and helping inexperienced delegates to write their resolutions and to participate in the debates are among the main responsibilities of a chair.

You have to make sure that your committee works effectively and that the debates are conducted in a fruitful manner. The ability to cooperate with your co-chair and to take responsibility for your delegates are crucial for being a successful chair.

You will need to write *Research Reports* before the conference so that the delegates in your committee can prepare their nation's positions adequately. The Research Reports are due on **July 1st, 2018**.

Just as every delegate you will be asked to pay the conference fee of **€ 25**, which includes lunch, beverages, a badge, a conference booklet etc.

In order to apply as a Chair for AMUN 2018, please write a **motivational letter** why you want to become a chair and what experiences you already have. Please ask your MUN-Director to write a short **statement of approval**. Please submit your application with these two attachments to secretarygeneral.amun@gmail.com by **April 16, 2018**.

We are looking forward to your participation!
Your AMUN Executive Team
